

CCUG Central/Northern Chapter
Quarterly Training Meeting
Tuesday, May 4, 2010
Salinas, CA

CALL TO ORDER

This meeting was a combined training meeting with both the Northern Chapter and Central Chapter members attending. The meeting was called to order at 0905 hours by Central Chapter Director Sue Sanchez. Sue thanked us all for attending and encouraged us to relay to her any desired training that we would like to have CCUG present in the future. This meeting was held in Salinas at the Monterey County Sheriff's Department. Our thanks go out to Kathy Moon for hosting the meeting for both Chapters. We were welcomed to the Sheriff's Department facility by Undersheriff Nancy Cuffney.

EXECUTIVE DIRECTOR ADDRESS

CCUG Executive Director Keith LeBrun was in attendance to talk about this year's Training & Technology Seminar to be held September 27-30 in Foster City (Crowne Plaza). Keith advised the group that if anyone brought a new vendor to the seminar their registration fee would be waived; bring more than one new vendor and your room may be paid for by CCUG. Keith also requested assistance of all kinds with the seminar in September. Please contact him at kalebrun@lasd.org if you are able to help out. Keith also encouraged member to check out the CCUG website for current events; we're now even on Facebook!

TRAINING

Ruth Amaro from DOJ, Client Services, presented our morning training on Record Sealing; both adult and juvenile. A power point presentation was delivered and hand outs were given to all attendees. Ms. Amaro provided her DOJ phone number and her personal cell number and requested that attendees call her with any questions what so ever on record sealing; her numbers are (916) 227-4224 (office) and (916) 601-3306 (cell).

Dean Welter, Novato Police Department, presented our afternoon training on Leadership. Dean used a combination of power point presentations and class participation activities to make this training both educational and fun. Dean showed us how important that taking that "extra step" is one clear example of leadership that is within reach of all of us. One of the power point clips was ever so slightly emotional, and we did notice that Dean left the room while it was playing...hummmm.

Our next Central Chapter meeting will be a joint meeting with the Southern Chapter of CCUG on October 26; please check back on the web site for details.
