Greetings,

I would like to invite you to take part in the 2025 California CLETS Users Group (CCUG) Training & Technology Seminar, which will be held September 9-12 in Palm Springs, California. Our seminar normally draws approximately 250 attendees from around the state of California. Our members are comprised primarily of dispatchers, records personnel, and trainers from law enforcement agencies throughout California.

For several years we have companies and individuals with products our attendees might like to purchase for themselves available for one or two days during our seminar. Because this has proven beneficial to both our attendees and those who have chosen to offer their products, it is our intent to continue this opportunity. We would like to invite companies and individuals who have products and services that may be of interest to our attendees on a personal level to join us. We encourage displays to be set up from 6:00 a.m. to 5:30 p.m. on Thursday, September 11 and 6:00 a.m. to 1:30 p.m. on Friday, September 12. During these times our attendees will be in various classes, however we will have one hour breaks (one in the morning, one in the afternoon) as well as a one hour lunch on Thursday during which time they will have the opportunity to shop. We will provide an 8' x 8' **or** 8' x 16' display space (see below) with a draped, six foot table(s) and chairs to all exhibitors.

The cost for exhibit space is as follows:

- 8' x 8' display space (**one** six-foot table) – \$125
- 8' x 16' display space (**two** six-foot tables) – \$200

All exhibitors are invited to join us for lunch on Thursday

Our 2025 seminar will be held in Palm Springs, CA. We are accepting reservations now and encourage you to make them early to ensure the availability of exhibit space. To reserve your space, go to

We look forward to seeing you at our 2025 Training & Technology Seminar. If you have any questions, please feel free to contact me at personal-vendors@ccug.org.

Sincerely,

Wendy Villescás
