This year our seminar will start at 1300 Tuesday (09/09/25) and will end at 1400 on Friday (09/12/25). Our training on Tuesday and Friday will consist of general sessions. Our training on Wednesday and Thursday will consist of several breakout sessions offered throughout the day.

When looking at the agenda you may notice we have breakout sessions starting as early as 0700 hours. Please note there are four opportunities to attend breakout sessions on Wednesday and Thursday, however you do not need to attend all sessions. If you attend six breakout sessions in addition to Tuesday's opening speaker and Friday's closing speaker, you will earn your 24 hours of POST credits. The is to allow you the option to start and end your day earlier if you so choose. While nobody is required to attend all four breakout sessions each day, anybody that wishes to is welcome to do so.
