Greetings,

I would like to invite you to take part in the 2027 California CLETS Users Group (CCUG) Training & Technology Seminar (dates and location will be confirmed soon). In addition to supporting CCUG, your participation will give you the opportunity to meet the people who use the products your company offers.

Since CCUG originated, our mission has been to represent the hundreds of law enforcement and criminal justice agencies in California. Our membership includes management, supervisory, and technical staff, representing agencies that use message-switching or computer-aided dispatch systems that access CLETS. We represent all the different types of law enforcement agencies that employ the products and technologies you provide on an ongoing basis to do their jobs. Many of our members are also involved in planning, managing, implementing, and operating the equipment used in their agencies.

CCUG recognizes and values the importance of the support we receive from companies like yours. For this reason, we have an area set aside at our 2027 seminar for the companies that accept this opportunity so you can show your products and services to our members. We will also reserve times for CCUG Seminar attendees to visit participating exhibitors, giving them an opportunity to meet you and other representatives of your company personally. We are confident that you will find your participation in this seminar a valuable and productive experience. We invite you to view the many sponsorship/exhibitor opportunities available.

All our vendor exhibitors will receive:

- 8' x 8' Exhibit Space in vendor area 6-foot table and two chairs
- Participation in vendor scavenger hunt
- Seminar registration (\$550 value)
- Your company logo and a one-page ad included in our Seminar app
- Opportunity to include a company logo tote bag item
- Seminar opening ceremonies introduction on Tuesday afternoon
- Exclusive vendor hours Tuesday & Wednesday
- Roster of all CCUG seminar attendees with contact information
- Includes admission to Tuesday's Welcome Reception & Wednesday lunch
- Your company's logo and link to your website on the CCUG web pages (through March 31, 2028)
- 10 drink tickets for Tuesday night Welcome Reception
