Greetings,

I would like to invite you to take part in the 2026 California CLETS Users Group (CCUG) Training & Technology Seminar. Our Seminar will be held September 15-18 in Rohnert Park, California (Vendor specific dates are September 15 and 16). In addition to supporting CCUG, your participation will give you the opportunity to meet the people who use the products your company offers.

Since CCUG originated, our mission has been to represent the hundreds of law enforcement and criminal justice agencies in California. Our membership includes management, supervisory, and technical staff, representing agencies that use message-switching or computer-aided dispatch systems that access CLETS. We represent all the different types of law enforcement agencies that employ the products and technologies you provide on an ongoing basis to do their jobs, most operating the equipment used in their agencies.

CCUG recognizes and values the importance of the support we receive from companies like yours. For this reason, we have an area set aside at our 2026 seminar for the companies that accept this opportunity so you can show your products and services to our members. We also have times designated for CCUG Seminar attendees to visit participating exhibitors, giving them an opportunity to meet you and other representatives of your company personally. We are confident that you will find your participation in this seminar a valuable and productive experience. We invite you to view the sponsorship/exhibitor opportunities available:

All our vendor exhibitors will receive:

- 8' x 8' exhibit space in our vendor area with a 6' table and two chairs
- Participation in our Vendor Scavenger Hunt
- Seminar registration (\$550 value)
- Your company logo and a one-page ad included in our Seminar app
- Opportunity to include company logo tote bag item
- Roster of all CCUG Seminar attendees with contact information
- Participation in our Tuesday welcome reception and Wednesday lunch
- Your company's logo and a link to your website on [www.ccug.org](http://www.ccug.org) (through March 31, 2027)
- 10 drink tickets for Tuesday's welcome reception
- Opening Ceremonies introduction on Tuesday afternoon
- Exclusive vendor hours on Tuesday and Wednesday

This year we have three options available for all companies that would like to participate.

## **Diamond Sponsor / \$2500**

As a Diamond Sponsor your company will be featured as a Seminar Sponsor for all events on all days of our Seminar and you will receive 30 additional drink tickets for our Tuesday welcome reception.

## **Platinum Sponsor / \$2000**

As a Platinum Sponsor your company will be featured as Hospitality Suite sponsor on Tuesday, Wednesday, or Thursday and you will receive 15 additional drink tickets for our Tuesday welcome reception.

## **Gold Sponsor / \$1500**

As a Gold Sponsor your company will be featured as a Lunch Sponsor for our Wednesday or Thursday lunch.

Our 2026 Seminar will be held at the DoubleTree Sonoma Wine Country in Rohnert Park, California. We are accepting reservations now and encourage you to make them early to ensure an exhibit space.

We look forward to seeing you at our 2026 CCUG Training & Technology Seminar. You can register online at [www.ccug.org/v-invite](http://www.ccug.org/v-invite) and selecting the sponsorship level you wish to purchase at the bottom of the page.

If you have any questions, please contact me at [vendors@ccug.org](mailto:vendors@ccug.org) or by phone at (661) 326-3456.

Sincerely,

Tamia Smith
